

EVALUATION FORM

Preparation of the job shadowing

Were the contacts with the partner pre-school sufficient for a good preparation of the exchange?
Please explain the kind of contacts undertaken previous to the exchange.

Welcoming at the partner school

On your arrival, did you receive sufficient information on matters aimed at facilitating your stay at the partner pre-school? Was the educational system of the partner and the socio-educational context in which the preschool operates explained to you? How was the information provided?

Level of integration with the staff

Did the job shadowing activities provide means of integration with the whole staff of the partner pre-school? Please explain how!

Communication

Did you experience any difficulties related to communication? If so, how were they overcome?

Reflection/documentation

Were you given sufficient time for reflection together with your tutor and for documentation of the job shadowing activities in which you have participated?

Have you received enough information about what are your tasks in hosting institution and back home (how to collect evidences for indicators, how to reflect on your JS experiences, how to transfer new information/knowledge/case into your environment etc.)?

Please give an appraisal of time devoted to reflection/documentation:

Accommodation

Please give an appraisal of the accommodation that has been arranged?

Social activities

Did the social activities meet your expectations?

Evaluation tools

Were the evaluation tools and the observation form useful as means of documentation of the job shadowing experiences?

Facebook Page

Did you make use of the EQUAP Facebook Page as means of communication and information?

General opinions

Please provide your personal views on the job shadowing experience and try to include both weaknesses that need be improved and added values that you did not foresee (maximum 10 lines)!
